

Cardiac Report

Patient Name: Nelson

Analysis Report

- **Probability of the input image to have Hyperdynamic Circulation: 69.70%**
- **Probability of the input image to have Normal Ejection Fraction: 6.91%**
- **Probability of the input image to have Moderate Ejection Fraction: 20.09%**
- **Probability of the input image to have Severe Ejection Fraction: 1.68%**

Inference: The image has high evidence of Hyperdynamic circular.
